Title: EM Event 1/16/2023

Author: Maggie Cromwell

RANGERS in Brae.
All I need is the warm
sun and an endless
wilderness,
MINORS ib Minoc -
No time to talk.. I have
carts to fill before the
end of the day.

Malin says, Take a hike -
- *sighs* Ah, I'm sorry.
I don't mean anything by
being so cross. It's been
a difficult DAY. Aye..
I've been at this all day
and my body aches.. Tell
you what, go buy a bottle
of ale for us to share
from the tavern. We
could have a drink and
trade tales.

Ah, so much better! So?
Fact finding for the
crown eh? Well, ye can
report back to those
fancy nobles that the
wealth of Mount Kendall
seems unending, unlike the
health of those who work
to free her riches.
Mages in Moonglow -
Elyes the Mage - I need
nothing. How do you
FARE.

Ah, hail. We had divided
that represntatives of
the CROWN were to
"grace" us with their
presence here on Verity
Island.
Our Liege and his..
hm.."officiants" would do
well to remember that we
of the COUNCIL of
Mages fare just fine
without interference from

the mainland.
I see that look upon your face. Yes, the council of Mages still manage their own affairs here. And why shouldn't we? It has been years since the FACTION Wars afterall.

I apologize if I have offended ye.. But these constant inspections under the guise of 'fact-finding' makes oe think we aren't trusted.. Put that in your report. *smiles at you*
FARMERS in Britian -
Stell the Farmer -
Askin for my needs is a bit forward.. But how do ye FARE?

looks down Ope, sorry about yer shoes there. Hail stranger. How do we fare ye ask? Hm.. good QUESTION. Not going to lie.. things are a bit tricky right now. The YEILD wasn't what we wanted this year.
Aye.. the onions failed. Rotted from within. Say, maybe ye could help us make up the shortfall? Any bit of gold would go a long way. Well! Thank ys stranger! That'll help smooth things over for sure! I suppose that answers your question, eh? We fare well, but only just. Life is hard when the crops don't come.

SAILORS in Vesper -
Rolf the Sailor -
Ahm just the sea and I FARE well.
looks you up and down
Ahoy there, stranger. So, yer the swabbies sent out to CHECK up on us,

eh?

Truly, I cannot answer ye on how we fare. There's an overdue SHIP outa Jhelom that hasn't reported in for a week now..
Aye.. it was last spotted heading North towards Dragon Island. I think the worst has happened. If ye want to know how we fare, maybe see if ye can find survivors on Dragon Island?

Wilson the Shipwreck Survivor -
I need a way off this island, that's for sure.. but I also need a fawer PIRATES roamin' the waters around Jhelom.
Aye, that's what HAPPENED. We were set upon by pirates just past North Jhelom.
Fact-Finding eh? Thn that's what His Highness needs to know. His waters be teemin' with pirates these days!
